APPENDIX

- Include relevant additional charts or tables that you may have created during the analysis phase.

JOB POSTINGS

In Module 1, you collected the job posting data using Job API in a file named “job-postings.xlsx”. Present that data using a bar chart here. Order the bar chart according to the number of job postings in descending order.

POPULAR LANGUAGES

In Module 1, you collected the job postings data using web scraping in a file named “popular-languages.csv”. Present that data using a bar chart here. Order the bar chart according to salary in descending order.
