SPEAKER: Hi, and welcome. I'm a member of the Success Team, and we are here to assist you on your learning journey by meeting you where you are.

Many students have walked the same journey as you. We've created a list of answers to some of the most common questions. Visit our Help Center and set yourself up for success. Our dedicated Success Advisors are here to support you, from start to finish. Contact us from Monday to Friday, during University hours.

Success doesn't keep office hours, and neither do we. When you need support outside of University hours, don't worry. A team of Success Advisors are available to handle any general queries you may have.

Navigate to the Support Team block to find more information about your dedicated Success Advisor and how you can get in touch.

You've got this, and we've got you.
